Guideline for Poster Presentations

- How to prepare a poster
 - Please make your poster so that it fits into the poster panel. Please refer to the picture below for the maximum size of the poster. The maximum size is **90 cm × 150 cm, PORTRAIT** orientation.
 - The main contents of the poster should be in the upper part where it is easily visible.
 - Pins for putting up posters are provided at each poster panel.
 - Posters must be prepared in English.
- There will be a registration desk for speakers of poster presentations in the poster hall. Please find your poster panel with your poster number, and put up your poster within the installation time.
- During poster session and free discussion time, please wear the ribbon provided at your poster panel so that you can be easily identified.
- Participants should install their poster not later than **July 11, 2018, 13.00**.
- Installation, presentation and removal time schedule.
