

## Guide for Poster Presentations

- How to prepare a poster
  - Please make your poster into an X-banner with the size of **60 cm × 160 cm**, **PORTRAIT** orientation.
  - The main contents of the poster should be in the upper part where it is easily visible.
  - Posters must be prepared in English.
- There will be a registration desk for speakers of poster presentations in the hall entrance. Please find your poster position with your paper ID number, and put up your poster within the installation time.
- During poster presentation and free discussion time, please remain at your poster site
- Participants should install their poster not later than October 8, 2019, 12.00 WIB.
- Installation, presentation and removal time schedule.
