 - Publication fee: free

**The preferential subjects
are the following:**

Pharmaceutical Sciences, Clinical and Community Pharmacy,
Public Health and Health System, Halal and Regulatory
Pharmaceutical Sciences.

SUBMISSION BY AUTHORS

Authors can choose the journal target and should prepare the manuscript according to the author guidelines provided on each journal website as follows:

- a. Jurnal Farmasi dan Ilmu Kefarmasian (JFIKI)/Pharmacy and Pharmaceutical Sciences Journal: <https://e-journal.unair.ac.id/JFIKI/Submissionprocess#authorGuidelines>
- b. Jurnal Farmasi Komunitas (JFK): <https://e-journal.unair.ac.id/JFK/about/submissions#authorGuidelines>
- c. Borneo Journal of Pharmacy: <https://journal.umpr.ac.id/index.php/bjop/guidelines>
- d. Pharmaceutical Sciences Asia: <https://li04.tci-thaijo.org/index.php/PSA/AuthGuide>

The decision of acceptance is made by the journal editors; thus, the committee cannot guarantee that all articles will be accepted; however, the recommendation by the committee reviews is technically required by the journal editors.

If you are interested in submitting an article, please prepare the manuscript by strictly following the author guidelines of the related journal and fulfill the following GForm link:

<https://bit.ly/paperICPHS2026>
