

ICPHS 2026

POSTER PRESENTATION GUIDELINES

1. Poster Preparation

All posters must be prepared in a **portrait orientation** and formatted as a **single-page X-banner**. Please ensure your poster meets the following technical requirements:

Requirement	Specification
Language	English
Orientation	Portrait (single page)
Poster Size	60 cm (width) × 160 cm (height)
Image Resolution	Minimum 300 dpi
Font Size	Minimum 16 points for readability
File Format	Print-ready X-banner format

All posters will be showcased during the **International Conference of Pharmacy and Health Sciences (ICPHS) 2026**

Posters will be printed as X-banners. **Presenters must bring their printed poster and supporting tools.** The committee will not provide display stands or hardware.

2. Technical Details

1. A **registration desk** will be located at the entrance of the poster hall for poster presenters. Please locate your designated poster position using your **abstract ID number**, and ensure your poster is installed **within the scheduled installation period**.
2. Poster presenters must be in the poster hall at least **10 minutes before the session begins**, ready to welcome attendees and deliver their presentation. **Wear the official identification ribbon** provided to ensure you are easily recognized during the session.
3. Each presenter is expected to deliver a **2–3 minute summary** of their poster, followed by a **1–2 minute Q&A or discussion**.
4. During the presentation session and general viewing period, please ensure the **identification ribbon is also attached to your poster panel** for easy identification.
5. Posters must be installed **no later than 08:10 AM (UTC+07:00) on June 20, 2026**.

6. The poster presentation timeline is as follows:
